SUMMARY

Enthusiastic MERN Stack Developer with up to 2 years of experience building responsive web apps using MongoDB, Express, React, and Node.js. Quick learner with strong problem-solving skills, a passion for clean code, and a keen eye for UI/UX. Eager to grow in a collaborative, fast-paced environment.

SKILLS

JavaScript | ReactJs | NodeJs | ExpressJs | MongoDB | MySQL | SASS | Figma | Canva | Azure | Microservices | Git | Bash | GitHub | Agile Methodologies

PROFESSIONAL EXPERIENCE

Digisoft IT Solutions LLP (React Developer)
March 2023 - February 2025

- **NumoUsha (Client: Damaso Digital Solutions Pvt. Ltd.):**
  - Developed a responsive introductory web app using React (Vite) and Tailwind CSS.
  - Delivered a fast, elegant, and mobile-friendly user interface.
  - Integrated Email.js for direct enquiry submissions.

- **TheStudyFalcon (Client: Damaso Digital Solutions Pvt. Ltd.):**
  - Maintained and optimized the front-end using React.js.
  - Focused on performance tuning, responsiveness, and UI/UX improvements.
  - Resolved cross-browser compatibility and data inefficiencies.
  - Managed and deployed RESTful APIs using Node.js and Express.js.

- **Nidhisoftwareguru.com:**
  - Redesigned the website using React.js to enhance user experience.
  - Integrated Email.js for seamless enquiry submissions.
  - Designed branding assets including the "Mudrabites" logo.
  - Deployed website components on Microsoft Azure for scalability.

- **DigisoftIndia.com:**
  - Rebuilt the website using HTML, CSS, and Vanilla JavaScript.
  - Enhanced interactivity with enquiry, feedback, and proposal forms.
  - Used Bootstrap animations to elevate visual appeal.
  - Implemented a dynamic news section to increase client engagement.

Digisoft IT Solutions Pvt. Ltd. (Internship - FullStack Developer)
May 2022 - July 2022

- **Assets Management System**
  - Built a responsive web application using Chakra UI for intuitive and user-friendly design.
  - Utilized Amazon S3 for secure and scalable asset storage.
  - Integrated MongoDB for efficient data management and retrieval.
  - Implemented a card-based layout for clear and categorized asset visualization.
  - Integrated React PDF Viewer to enable seamless in-app document access.
